

ASSESSMENT FOR CHILDREN WITH SPECIAL NEEDS: To Avail CBSE Accomodations

The inclusion of children with special needs is a priority at Sanskriti School. The counselling department works at coordinating with the CBSE to ensure that our Board Students who qualify for provisions can avail appropriate exemptions and concessions. Similar concessions are provided to students of Grade 9 & 11 as well. The following flowchart is an explanation of how the assessment and inclusion process happens. A thorough reading of the CBSE provisions document embedded in the flowchart is recommended.
