Maths Day -December 9, 2021

Classes VI-IX & XI celebrated Maths day based on the theme “Bring in Cheer” on December 9, 2021. Students joined in enthusiastically with class VI doing T-shirt painting with patterns created with geometric shapes, class VII participated in “Maths Bingo” conducted by students of Alpha Maths Club, class VIII created Fractal Cards, class IX celebrated Merry Maths Day with Curve Stitching and art created on Google Drawings based on Christmas theme, Class XI got busy with Origami and Desmos art work.

Here are a few samples and Padlets for each class with the contribution of students.
